*Thank you and Farewell Fr. Salvador and
Welcome Fr. Alex*

Dear Parishioners: I do not have enough words to thank you all for your continuous support and generosity to our Church. Please continue supporting it and never get tired of collaborating with the Church and its projects because it is done for the glory of God. You have a beautiful Church you should be proud so please help to keep it as beautiful as it is. Every single cent you donate to our Church is being well used and it will return to you as many graces bestowed by the Lord.

Also in the name of the two communities

and as your former Pastor, I would like to welcome Fr. Alex Salazar, IVE., into these two beautiful communities. I humbly implore you to open your hearts to him and welcome him as your Pastor, spiritual leader and friend. I just want to say he comes here to help you as I did. So, please, help him to fulfil his duty as a Pastor moulded to the Sacred Heart of Jesus. Remember always that priests need your prayers, so never stop praying for him and together with him.

We would all like to express our heartfelt gratitude to Father Salvador for the dedicated, sacrificial and kind service he has given all the members of the joint community of our two parishes. In the quick year and a half since he has been here numerous improvement projects have been undertaken in both church buildings, from better lightening to blooming gardens. In this time, the communication systems of our parishes have also moved into the twenty-first century with a presence on the web, Facebook, and newly formed parish email lists. Beyond all this, we thank Father Salvador for his perseverance and creativity in doing whatever was possible to help us all remain in contact with our faith during the strange time of pandemic in which we now live. As a priest of Jesus Christ, he was always ready to prioritize the administration of the sacraments to God's people. Father, may you be always near to the Sacred Heart of Jesus and under the protection of the "greatest man born of woman," St. John the Baptist. We will keep you in our prayers as you begin your next missionary adventure!
Sincerely yours,
The parish community of St. John the Baptist and Sacred Heart of Jesus and the SSVM sisters

► We would like to let you know that the Diocese, in cooperation with the Government of Ontario, has decided to ease some of the restrictions that have been imposed since the beginning of the pandemic. Please see the back of the bulletin.

► We are returning to our regular daily schedule, with no restrictions for the number of people attending the liturgical celebrations. So, please help us to spread the word and get our parishioners back into the Church; there are so many parishioners that still do not know that Church is open.
