BISHOP MIEHM HOLY WEEK & EASTER MESSAGE 2026

Dear Friends in the Diocese of Peterborough, Pilgrimage was a big part of last year’s Jubilee of Hope, and perhaps you participated in one. Rome is always “pilgrim central” at these special times for the Church and while many groups and individuals flock to the city, it is impractical for most people to get there. I was happy to see that many people visited one or more of our four Jubilee churches in the diocese, and hundreds came out for our pilgrimage to Martyrs’ Shrine in September. Pilgrimage is

always a central feature of a holy year, as our physical journey mirrors a spiritual one, and our longing to grow closer to God.

The whole Church makes a kind of pilgrimage in Holy Week, journeying with our Lord through the mysteries of his passion, death and resurrection. Beginning with his triumphant entry into Jerusalem on Palm Sunday, we step with him into the Upper Room on the night of the Last Supper and follow him to Calvary and his cross on Good Friday. But we are never in doubt about the end point of the journey, which is the bright dawn of Easter Sunday, the empty tomb and the angel who declares, “He is risen!” I pray that this Holy Week journey through the great mysteries of our faith may be a source of strength and hope for you. Our pilgrimage through life may have some twists and turns along the way, but we are always confident in the Lord who has gone before us, has defeated the powers of darkness, and who constantly invites us to follow him on the great adventure and journey of faith. May the Lord bless you abundantly this Holy Week and Easter.

Yours in Christ,
Bishop Daniel J. Miehme

Pro- life Corner

We invite the Catholic community to respectfully contact their local Member of Parliament (MP), requesting their support of a Private Members’ Bill (C-218, The Right to Recover Act – an act to amend the Criminal code – Medical Assistance in Dying) currently before the Parliament of Canada.

What is Bill C-218? Bill C-218 amends the

Criminal Code to make it illegal to provide Medical Assistance in Dying (MAiD) to individuals whose sole underlying condition is a mental illness. It recognizes the importance of Canadians to recover from mental illness and ensures help can be offered, not harm.

WHY IT MATTERS:

Every life is precious. As Catholics, we believe in the sanctity of every human life, from the moment of conception to natural death.
